# CITY OF KAUFMAN SERVICE GUIDE

## Have you Heard?

The City of Kaufman has made changes to the residential trash service. Trash service has been reduced by \$1.27 per month. Beginning **Tuesday, February 1, 2011** trash service will be weekly instead of twice weekly. Pick up days will be Tuesday through Friday. An extra 95 gallon trash cart is available if you think you need it for \$3 per month. Call the City of Kaufman at (972) 932-2216 to set up additional cart service. Service days will change, look for notification of new service days in the next utility bill.

## Cart Service

Place your 95-gallon IESI trash cart at the curb by 7a.m. on your weekly pick up day. Roll carts within 2 feet of the edge of the street, with the handles facing your house. Commercial customers with cart service can request either once or twice weekly collection. To set up or change service or for more information please call IESI at (469) 452-8000.

## New Trucks

IESI will now be using a smaller, 20 yard truck to service the City of Kaufman in an effort to preserve streets.
