Kaufman Subdivision Regulations:

Section 1.16 Definitions

Section 2.10: Plat Vacation

- 2.10 a. By Property Owner. The property owner of the tract covered by a plat may vacate, upon the approval of the Planning and Zoning Commission and City Council, the plat at any time before any lot in the plat is sold. The plat is vacated when a signed, acknowledged instrument declaring the plat vacated is approved and recorded in the manner prescribed for the original plat.
- b. By All Lot Owners. If some or all of the lots covered by the plat have been sold, the plat, or any part of the plat, may be vacated on the application of all the owners of lots in the plat with approval obtained in the manner prescribed for the original plat.
- c. Criteria. The Planning and Zoning Commission and City Council shall approve the petition for vacation on such terms and conditions as are in accordance with Section 212.013 of the Texas Local Government Code, and as are reasonable to protect public health, safety and welfare. As a condition of vacation of the plat, the City Council may direct the petitioners to prepare a revised final plat in accordance with these regulations such that the property does not become "unplatted".
- d. Effect of Action. On the execution and recording of the vacating instrument, the vacated plat shall have no effect. Regardless of the Planning and Zoning Commission's and City Council's action on the petition, the property owner or developer will have no right to a refund of any monies, fees or charges paid to the City nor to the return of any property or consideration dedicated or delivered to the City except as may have previously been agreed to by the Planning and Zoning Commission and City Council.
- e. City-Initiated Plat Vacation.
1. General Conditions. The Planning and Zoning Commission and City Council, on its motion, may vacate the plat of an approved subdivision or addition when:

- (a) No lots within the approved plat have been sold within five (5) years from the date that the plat was signed by the City;
 - (b) The property owner has breached an improvement agreement and the City is unable to obtain funds with which to complete construction of public improvements, except that the vacation shall apply only to lots owned by property owner or its successor; or
 - (c) The plat has been of record for more than five (5) years and the City determines that the further sale of lots within the subdivision or addition presents a threat to public health, safety and/or welfare, except that the vacation shall apply only to lots owned by the property owner or its successors.
2. Procedure. Upon any motion of the Planning and Zoning Commission or City Council to vacate the plat of any previously approved subdivision or addition, in whole or in part, the Commission shall publish notice in a newspaper of general circulation in the County. The Commission shall also provide personal notice to all property owners within the subdivision or addition and to the City Council. The notice shall state the time and place for a public hearing on the motion to vacate the subdivision or addition plat. The Commission shall recommend approval and the City Council shall approve the vacation only if the criteria and conditions cited above are satisfied.
3. Record of Notice. If the Commission and City Council approve vacating a plat, the City Secretary shall record a copy of the resolution or ordinance in the office of the County Clerk of Kaufman County with a copy of the area or plat vacated. The County Clerk shall write legibly on the vacated plat the word "vacated" and shall enter on the plat a reference to the volume and page at which the vacating instrument is recorded. If the Commission and City Council adopt a resolution or ordinance vacating a plat in part, it shall cause a revised final plat to be recorded which shows that portion of the original plat that has been vacated and that portion that has not been vacated. On the execution and recording of the vacating instrument the vacated plat has no effect.
