INTRODUCTORY SECTION

March 31, 2022

Citizens of Kaufman, Honorable Mayor Jeff Jordan
Members of the City Council
City of Kaufman, Texas:

The Annual Comprehensive Financial Report (Annual Report) for fiscal year ended September 30, 2021 is hereby submitted as required by § 7.19 of the Kaufman City Charter. This report was prepared through the cooperative effort of the Finance Department and the City's independent auditors. The purpose of this report is to provide the City Council, management, staff, the public, bondholders and other interested parties information that reflects the City's financial condition and activities of the City government.

Full responsibility for both the accuracy and reliability of the data contained herein, and the completeness and fairness of the presentation, including all disclosures, rests with City management. The City is responsible for establishing and maintaining internal controls designed to ensure that the assets of the government are protected from loss, theft or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles ("GAAP"). Internal controls are designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management. To the best of our knowledge and belief, the enclosed data is accurate, in all material respects, and is reported in a manner that presents fairly the financial position and activity of the City of Kaufman. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included.

Beginning with the fiscal year 2003 report, the City complied with Governmental Accounting Standards Board ("GASB") Statement No. 34. In addition to the basic financial statements and supplementary information, you will also find Management's Discussion and Analysis ("MD&A"). The MD&A section of the Annual Report presents only objective information, or currently known facts, known by the City's financial managers as of the date of the auditor's report. The objective is to provide a much broader and detailed analysis of the City's financial condition and operating results. Generally accepted accounting principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of MD&A. This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors.

The Kaufman City Charter requires an annual audit by independent certified public accountants. The accounting firm of YWRD, P.C., Waxahachie, Texas, was selected by the City Council to complete the required audit. The goal of the independent audit is to provide reasonable assurance that the

financial statements of the City for the fiscal year ended September 30, 2021, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the City's financial statements for the fiscal year ended September 30, 2021, and that they are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

PROFILE OF THE GOVERNMENT

Location The City of Kaufman, established in 1853, is located just southeast of the Dallas/Fort Worth Metroplex, in Kaufman County, in the North-Central region of the State of Texas. The Dallas/Fort Worth Metroplex ranks as the top growth area in the State of Texas and one of the top growth areas in the United States. Kaufman currently has a land area of 9 ½ square miles and a population of 8,414 (per World Population Review). The City is empowered to levy a property tax on both real and personal property located within its boundaries. The City also has the power by state statute to extend its corporate limits by annexation, which is done periodically when deemed appropriate by the City Council. There is no new City Council action planned for additional annexations, but there are areas that could be considered for annexation in the future.

Governmental Structure The City of Kaufman, a Home Rule City, has operated under the Council-Manager form of government since 1987. Policymaking and legislative authority is vested in the City Council, which consists of a Mayor and six council members. The City Council is responsible for passing ordinances, adopting the budget, hiring the City Manager, and appointing the City Secretary, City Judge, and City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the City Council, overseeing the day-to-day operations of the City, and for appointing the heads of the City's departments. The City Council is elected on a non-partisan basis. Council members are elected to two-year staggered terms with three Council members elected every two years. The Mayor is also elected to two-year terms, while all Council members are elected at-large, on a plurality basis.

Services Provided The City of Kaufman provides a full range of municipal services including police and fire protection; water, sewer, and solid waste services; recreational and cultural activities; land planning and zoning/community development; building/code enforcement; and the construction and maintenance of streets and infrastructure. The City also is financially accountable for a legally separate economic development corporation, which is reported separately within the City's financial statements. Additional information on this legally separate entity can be found in Note 1 in the notes to the financial statements.

Mission Statement Our goal is to enhance the quality of life of our citizens by providing a safe, clean environment through efficient delivery of public services.

Budgetary Controls The City maintains acceptable budgetary controls. The objective of these controls is to ensure compliance with legal provisions embodied in the annual budget approved by the City Council. Activities of the general fund, debt service fund, enterprise funds, and the special revenue funds, excluding the Public Improvement District fund, are included in the annual appropriated budget. Project-length budgets are adopted for capital project funds. The level of budgetary control (i.e., the level at which expenditures cannot legally exceed the appropriated amount) is established at the fund level.

As demonstrated by the statements and schedules included in the financial section of this report, the City of Kaufman continues to meet its responsibility for sound financial management.

FACTORS AFFECTING FINANCIAL CONDITION

The opening of Walmart in 2014 created substantial improvement in the City's tax base, and has continuously spurred ongoing new development within that area. From fiscal year 2014 to fiscal year 2020, property values increased by \$196.7 million (certified fiscal year 2014, \$267,485,910 to certified fiscal year 2021, \$464,208,589). As new businesses and residential development continue to open and gain permits surrounding the strip centers near the Walmart development, the State Highway 34 Bypass, and the newly developed Kingsfort Parkway extension, property values have continued to improve and are expected to continue improving into the future.

Sales tax collections also substantially improved after the opening of Walmart in 2014, with a 15% increase from fiscal year 2014 through fiscal year 2015, and an average year to year increase of 6.5% from fiscal years 2016 through 2019. Sales tax collections faired extremely well beyond expectations in fiscal years 2020 and 2021, despite previously forecasted impacts of COVID-19, with an average increase of 12% due to more people staying home and shopping local versus commuting to the Dallas/Fort Worth Metroplex. Area market indicators continue to point toward positive growth in sales tax for the City of Kaufman beyond fiscal year 2021 due to the ongoing increase in development surrounding the Kingsfort Parkway extension, Walmart, and the State Highway 34 By-pass.

Tax Rates All eligible property within the City is subject to assessment, levy, and collection by the City of a continuing, direct ad valorem tax sufficient to provide for the payment of principal and interest on outstanding bonds within the limits prescribed by law, and the payment of operation and maintenance costs as approved by the City Council. The City's tax rate history as adopted by the City Council is shown below:

Fiscal Year	Tax Rate
2016-2017	0.777255
2017-2018	0.899368
2018-2019	0.898651
2019-2020	0.848650
2020-2021	0.821676

The City continued to monitor revenue and expenditures during the year and make adjustments as necessary. In fiscal year 2021, the City identified the need to develop, recognize, and retain quality staff as a financial and operational stewardship priority, and the need to provide superior fire, police, and emergency services as a priority to be safe and secure, within the City's strategy map. Therefore, the City funded a 3% COLA across the organization as well as a senior management payment adjustment to bring them competitive with their peers, effective January 2021. The City also successfully adjusted entry-level Maintenance Technicians in Public Works to a starting salary of \$30,000 (\$14.42/hour), with the intent to "true up" the lowest paid employees as much as the restrictive budget would allow. In addition, the city added a full-time Building Official (effective January 2021), two full-time Street Maintenance Technicians, and four new Summer Hire positions (for maintenance of parks). The City also funded additional park maintenance funds to affect the significant improvements within our park system, which included an exterior fence replacement at the City Lakes Park. Capital Equipment purchased with operating funds in 2021 included soccer goal replacements at the Sports Complex, a cloud based software server upgrade, a police department watchguard server, a Human Resources integrated software, Downtown Square speakers, a John Deere Tractor, recoating the South elevated water tower, and an automatic weather warning system. Fiscal year 2021, the City also continued to fund chapter 380 agreement commitments, including KLLM, funded the Texas Municipal Retirement System Consumer Price Index participation at 50% Repeating, funded a 5-year lease of four police vehicles, two fire vehicles, four public works vehicles, and one code enforcement vehicle, funded \$50,000 Street Maintenance/Rehab (primarily dedicated to curb & sidewalk repair), and funded \$408,690 from the Street Maintenance Fund (from the sales tax reallocation of 1/4 cent Sales Tax to street rehabilitation). Retail utility rates were not increased, the wholesale price remained flat, and therefore, the City maintained its current retail utility rate structure for fiscal year 2021. Fiscal Year 2021, the City also continued to fund the Storm Drainage Fund dedicated exclusively to storm drainage improvements at the rate of \$4 per ERU (equivalent residential unit), with no rate increase.

For several years, the street improvement program included an average allotment of \$200,000 for street repair and overlays, until 2016 when the City began issuing General Obligation Bonds designated specifically for Street Bond Projects which included repairs to Houston, Fourth, Austin, Fair, Ninth, Main, & Circle Streets. Phase 1 of the Street Bond Project (Houston, Fourth, Austin, & Fair Streets) was completed in June 2020, and Phase 2 of the Street Bond Project (Ninth, Main, & Circle Streets) was completed in fiscal year 2021.

In May of 2019, the citizens of Kaufman voted and approved a sales tax reallocation of 1/4 cent Sales Tax revenue to a street rehabilitation/street maintenance fund. The street maintenance fund was established beginning with the first sales tax revenue payment being deposited in December of 2019. The 2020 Street Maintenance Program began in July of 2020, allocating \$356,000 for street rehabilitation in the Windsor Park neighborhood, which was completed in November of 2020. In addition, \$408,690 was allocated for fiscal year 2021, which included rehabilitation to the following streets: Hickory, Alton, Monroe, South Jackson, Blain, Coleman, Tabor Parkway at Kingsfort, and Buckingham. Reauthorization of the street maintenance sales tax allocation will be required in 2023.

Community Development Issues During fiscal year 2021, a total of 460 building permits were issued with a combined construction value of \$31,014,968. New Structures included 72 new building permits with a combined square footage of 8,091,870 of building area valued at \$26,921,029. Included within that number was 10 commercial permits for 376,299 square feet of new building area valued at \$16,370,488 and 62 new single family permits for a total of 7,715,571 square feet valued at \$10,550,541. Remodel/Repair Structures included 61 remodeling building permits with a combined square footage of 296,341 of building area valued at \$4,089,715. Included within that number was 16 commercial permits for 181,660 square feet of new building area valued at \$3,662,499 and 40 remodel single family permits for a total of 114,681 square feet valued at \$412,216. Demolition permits included one commercial demolition permit and four residential demolition permits valued at \$15,000. Also included were 327 various permits issued for electrical, fences, foundations/approaches, mechanical, plumbing, signs, storage and garages, and swimming pools for a total of 936,001 square feet valued at \$4,224,022.

In 2019, the City issued a Certificate of Obligation in the amount of \$3,455,000 for constructing, installing, acquiring, and equipping renovations and improvements to a City owned building to be used as a civic and community center, and related infrastructure for such improvements, and for constructing, acquiring, installing, and equipping municipal park and recreation improvements and related infrastructure for such improvements. Construction began in March 2020, and was completed in January of 2021.

Construction of Tabor Parkway Phase II (formerly known as CR151/Old Kemp Highway) pavement improvement/expansion project began in fiscal year 2020 and is expected to be completed in Spring of 2022.

In 2021 the City issued a Public Property Finance Act Contract with Government Capital Corporation in the amount of \$2,631,000 for the purpose of procuring an Advanced Metering Infrastructure project and related equipment. The project was bid in fiscal year 2021 and is expected to be completed in the Fall of 2022.

In 2020, the City issued a Certificate of Obligation in the amount of \$4,785,000 for constructing, reconstructing, and improving streets, roads, alleys, bridges and sidewalks including related utility relocation, stormwater, drainage, signalization, landscaping, lighting and signage, and acquiring, constructing, installing and equipping improvements to the City's stormwater and drainage system. Hillcrest, Priscilla, and Melody Circle storm drainage projects were bid out in fiscal year 2021 and construction is expected to be completed in the Spring of 2022.

Restoration of the South Water Tower began in 2021 and is expected to be completed by Spring of 2022.

Several small utility-related capital improvement projects are currently under construction, or have just been completed, including a major sewer line extension increasing the capacity of the storm water basin at the wastewater treatment plant. The City of Kaufman's utility systems have been deteriorating for many years and an aggressive, comprehensive program is in place to make necessary improvements to the utility systems. The City entered into an agreement with the Texas Water Development Board for \$2.71 million in improvements to the Wastewater Treatment Plant, and the City agreed to set aside an additional \$498,500. The total contract amount for the improvements was \$2,977,203. The project began August 15, 2020 and is expected to be completed in May 2022.

Compensation Plan/Personnel Overall staff budget during fiscal year 2021 was 70 full-time personnel and 6 part-time personnel. Total fiscal year 2021 budgeted payroll with benefits was \$5,366,069. A generous benefit package is provided to employees including vacation, holiday, sick pay and 100% employer paid health insurance plan for employees. The total dollar amount funded by the City per employee/per month for health insurance plans is \$640. In fiscal year 2021, an employer-paid flexible spending account (FSA) was established for full-time employees with a max contribution of \$2,700.00. The City also provides for retirement in the Texas Municipal Retirement System (TMRS) to their employees, with a contribution rate of 7% (effective October 2007), two to one match, five year vesting, updated service credits and a 20-year retirement plan.

Cash Management Cash temporarily idle during the year was invested in demand deposits, certificates of deposit, and TexPool investment pool. The average yield on investments, except for the pension trust fund, at September 30, 2021 was .10% on pooled bank accounts (87.20% of portfolio), .61% on certificates of deposit (9.68% of portfolio) and 1.9953% on investment pool (3.13% of portfolio).

The City's investment policy complies with the Public Funds Investment Act. The policy, updated in 2021, is designed to ensure the safety of its principal in the overall portfolio as the foremost objective. Accordingly, deposits are either insured by federal depository insurance or collateralized. The investment policy is reviewed and updated annually, as applicable. The City Council considered proposals for banking services in January 2021. Staff reviewed the proposals and determined the best cost of banking services for the City. As recommended, American National Bank of Texas was awarded the City's depository contract for five years, with a 90 day extension. It is anticipated the city will consider proposals for banking services again in April 2026.

Risk Management The City currently maintains third party insurance coverage to minimize all financial risks. Risk management programs are in place to minimize risk in the areas of workers' compensation, general liability, public officials and employees' liability, police officer liability and property and fleet/equipment liability and damage.

Pension Benefits The City provides pension benefits to all of its full-time employees through a nontraditional, joint contributory, defined benefit plan in the state-wide Texas Municipal Retirement System, an agent multiple-employment public employee retirement system. The pension plan is administered and accounted for by TMRS rather than by the City.

AWARDS AND ACKNOWLEDGEMENTS

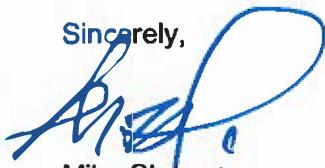

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Kaufman for its annual comprehensive financial report for the fiscal year ended September 30, 2020. This was the twenty-second consecutive year that the government achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of the annual comprehensive financial report was made possible by the dedicated services of the entire staff of YWRD, P.C. and the Finance Department of the City of Kaufman.

In closing, the members of the City Council are to be commended for their interest and support in planning and conducting the financial operations of the City in a responsible and progressive manner.

Sincerely,

Mike Slye

FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council of
City of Kaufman, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Kaufman, Texas, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Honorable Mayor and City Council
City of Kaufman, Texas
Page Two

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Kaufman, Texas, as of September 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, net pension liability information, and total OPEB liability information on pages 16-25 and 80-85 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Kaufman, Texas' basic financial statements. The introductory section, combining and individual fund financial statements and schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

Honorable Mayor and City Council
City of Kaufman, Texas
Page Three

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2022, on our consideration of the City of Kaufman, Texas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Kaufman, Texas' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Kaufman, Texas' internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

As management of the City of Kaufman, Texas, we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended September 30, 2021. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in the letter of transmittal, which can be found on pages 2-8 of this report.

Financial Highlights

- The assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$34,061,750 (*net position*).
- The City's total net position increased by \$3,244,844.
- As of the close of the current fiscal year, the City's governmental funds reported combined fund balances of \$5,577,274, an increase of \$552,921 in comparison with the prior year. Approximately 36.70% of this amount (\$2,046,806) is available for spending at the City's discretion (*unassigned fund balance*).
- At the end of the current fiscal year, unassigned fund balance for the general fund was \$2,977,896, or approximately 31.3% of the total general fund expenditures.

Overview of the Financial Statements

The discussion and analysis provided here are intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements consist of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) the notes to financial statements. This report also includes supplementary information intended to furnish additional detail to support the basic financial statements themselves.

Government-wide Financial Statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents financial information on all of the City's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused compensated absences).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, public services and operations, and parks and recreation. The business-type activities of the City include utility and drainage operations.

The government-wide financial statements include not only the City itself (known as the *primary government*), but also a legally separate economic development corporation for which the City is financially accountable. Financial information for this component unit is reported separately from the financial information presented for the primary government itself. Complete financial statements for the component unit are available from the City's Finance Director upon request.

The government-wide financial statements can be found on pages 27-28 of this report.

Fund Financial Statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

Governmental Funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in assessing a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains twelve individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Grants Fund, Debt Service Fund, and Capital Improvements, which are considered to be major funds. Data from the other eight governmental funds are combined into a single aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements in the combining and individual fund statements and schedules section of this report.

The City adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 29-32 of this report.

Proprietary Funds. The City maintains one type of proprietary fund. The *enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses the enterprise funds to account for its utility and drainage operations.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Utility fund and Drainage fund which are considered to be major funds of the City.

The basic proprietary fund financial statements can be found on pages 33-35 of this report.

Notes to the Financial Statements. The notes provide additional information that is necessary to acquire a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 36-78 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City's Schedule of Revenues and Expenditures - Budget and Actual - General Fund, Schedule of Revenues and Expenditures - Budget and Actual - Grants Fund, the Schedule of Changes in Net Pension Liability and Related Ratios, the Schedule of Contributions, and the Schedule of Changes in Total OPEB Liability and Related Ratios. Required supplementary information can be found on pages 80-84 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information on pensions. Combining and individual fund statements and schedules can be found on pages 87-100 of this report.

Government-wide Overall Financial Analysis

As noted earlier, net position over time, may serve as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows of resources exceeded liabilities and deferred inflows by \$34,061,750, at the close of the most recent fiscal year.

CITY OF KAUFMAN, TEXAS' NET POSITION

Unrestricted (deficit)	(1,565,608)	(2,558,291)	484,796	2,164,324	(1,080,812)	(393,967)
Total net position	\$ 23,177,356	\$ 18,120,970	\$ 10,884,394	\$ 12,695,936	\$ 34,061,750	\$ 30,816,906

By far, the largest portion of the City's net position (96.0%) reflects its investment in capital assets (e.g., land, construction in progress, buildings, improvements, machinery and equipment, and infrastructure), less any related outstanding debt that was used to acquire those assets. The City uses these capital assets to provide a variety of services to its citizens. Accordingly, these assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources used to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The City's total net investment in capital assets increased as the additions from capital outlays and work-in-progress exceeded depreciation and retirements.

An additional portion of the City's net position (7.22%) represents resources that are subject to external restrictions on how they may be used.

The City's overall net position increased \$3,244,844 from the prior fiscal year. The reasons for this overall increase are discussed in the following sections for governmental activities and business-type activities.

Governmental Activities. During the current fiscal year, net position for governmental activities increased \$5,056,386 from the prior fiscal year for an ending balance of \$23,177,356. Revenues increased \$3,331,527 with grants and contributions, property tax, and sales tax contributing to the majority of this change. Property taxes revenues benefitted from an increase in taxable values and an increase in the property tax rate. Sales tax benefited from increased economic activity within the City and grants and contributions saw increases due to the receipt of American Rescue Plan Act funds and an interlocal agreement with Kaufman County. Expenses increased \$1,726,995 with increases in personnel expenses and repairs and maintenance being primarily responsible for the change.

Business-type Activities. For the City's business-type activities, the results for the current fiscal year resulted in a net decrease in net position to an ending balance of \$10,884,394. The total decrease in net position for business-type activities (water, sewer, and drainage operations) was \$1,811,542 or 14.27% of prior fiscal year. This decrease was driven by less capital contributions received in the current year coupled with decreased charges for services due to less water consumption by customer. Total expenses before transfers increased by 2.30%.

Financial Analysis of Governmental Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either an external party, the City itself, or a group or individual that has been delegated authority to assign resources for use for particular purposes by the City's Council.

At September 30, 2021, the City's governmental funds reported combined fund balances of \$5,577,274, an increase of \$552,921 in comparison with the prior year. Approximately 36.7% of this amount (\$2,046,806) constitutes *unassigned fund balance*, which is available for spending at the City's discretion. The remainder of the fund balance is either *nonspendable* or *restricted* to indicate that it is 1) not in spendable form (\$150,166), 2) restricted for particular purposes (\$2,001,701), or 3) assigned for particular purposes (\$1,378,601).

The general fund is the chief operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the general fund was \$2,977,896, while total fund balance increased to \$4,506,663. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Unassigned fund balance represents approximately 31.3 percent of total general fund expenditures, while total fund balance represents approximately 47.3 percent of that same amount.

The fund balance of the City's general fund increased by \$1,301,717 during the current fiscal year. Property tax increased approximately 1% while sales tax increased approximately 11%. Total expenditures increased 11% over 2020 with the general government and public safety departments increasing 16% and 12%, respectively.

The grant fund, a major fund, had an decrease in fund balance during the current year of \$28,303 to bring the year end fund balance (deficit) to (\$903,706). This decrease is the result of decrease in revenues and an increase in expenditures during the current fiscal year.

The debt service fund, a major fund, had an increase in fund balance during the current year of \$39,421 to bring the year end fund balance to \$504,840. This increase is the result of increased property tax revenues in the current fiscal year.

The capital improvements fund, a major fund, had a \$1,059,006 decrease in fund balance during the current fiscal year which decreased total fund balance to \$2,913. This decrease is primarily the result of bond proceeds being spent during the year.

Proprietary Funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the Utility fund at the end of the year was \$1,807,540. The total decrease in net position was \$325,540. Operating revenues decreased in 2021 by \$405,573 (8.90%). Operating expenses increased by 3.15% while capital contributions decreased \$863,474.

Unrestricted net position (deficit) of the Drainage fund at the end of the year was \$(1,322,744). The total decrease in net position was \$1,486,002. Operating revenues increased in 2021 by \$74,447 (31.22%). Operating expenses decreased by 42.12% while capital contributions decreased \$609,957.

General Fund Budgetary Highlights

Original budget compared to final budget. During the year, the City increased total estimated revenues and transfers in by \$2,401,270 with increases to sales tax comprising \$459,860 of this increase and intergovernmental revenues comprising \$1,010,224. Proceeds from the sale of assets increased by \$1,231,525. Total expenditures and transfers out were increased by \$3,371,202 with increases to general government expenditures comprising \$2,442,786 of this increase.

Final budget compared to actual results. General actual revenues of \$8,567,697 exceeded budgeted revenues of \$8,563,448 by \$4,249.

Budgeted general fund expenditures of \$9,852,425 exceeded actual expenditures of \$9,596,646. This \$255,779 positive variance was achieved through a series of expenditure restrictions imposed during the year. Following are the main components that experienced an increase or decrease of actual expenditures compared to actual expenditures:

- General government budgeted expenditures exceeded actual by \$1,204,580 primarily due to unspent budgetary reserves.
- Public safety actual expenditures exceeded budget by \$712,623 primarily due to capital lease purchases.
- Public works actual expenditures exceeded budget by \$106,078 primarily due to capital lease purchases.

Capital Assets and Debt Administration

Capital assets. The City's investment in capital assets for its governmental and business-type activities as of September 30, 2021, amounts to \$59,074,221 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings, improvements, machinery and equipment, and infrastructure. The total increase in capital assets for the current fiscal year was approximately 9.77%.

**City of Kaufman, Texas' Capital Assets
(net of depreciation)**

Major capital asset events during the current fiscal year included the following:

- Land additions of approximately \$1,098,000.
- Construction in progress additions of approximately \$5,582,000 consisting of street improvements, community center, water and sewer improvements, and drainage improvements.
- Approximately \$8,710,000 of construction in progress was completed during the year.
- Machinery and equipment additions of approximately \$1,308,000 and disposals of \$1,003,272.

Additional information on the City's capital assets can be found in Note 3.G on pages 50-51 of this report.

Long-term Debt. At the end of the current fiscal year, the City had total long-term debt outstanding of \$45,938,025.

City of Kaufman, Texas' Outstanding Debt

	Governmental Activities		Business-Type Activities		Total	
	2021	2020	2021	2020	2021	2020
Certificates of obligation	\$ 5,110,000	\$ 5,335,000	\$ 11,560,000	\$ 12,005,000	\$ 16,670,000	\$ 17,340,000
General obligations bonds	10,375,000	10,730,000	645,000	825,000	11,020,000	11,555,000

The City's total debt increased by \$2,222,002 (5.1 percent) during the current fiscal year. The reason for the increase is primarily the result of new debt issues exceeding scheduled debt payments.

The City's General Obligation and Combination Tax and Revenue Certificates of Obligation ratings are listed below.

	Moody's	Standard's & Poor's
General Obligation Bonds	A3	A+
Certificates of Obligation	A3	A+

Additional information on the City's long term-debt can be found in Note 3.M on pages 57-64 of this report.

Economic Factors and Next Year's Budgets and Rates

In the fiscal year 2022 budget, the General Fund revenues are budgeted to increase by \$629,017 or 7.8% from the fiscal year 2021 budget. General property taxes, currently the second largest revenue source for the General Fund, make up about \$2,625,570 or 27.3% of anticipated general fund revenues. Property values show an increase of \$66,863,492 or 14.4% over the prior year primarily as a result of the overall improvement in the local economy, home values, and an increase in the number of new homes and businesses, including Georgetown at Kingsfort Development, Kingsfort business corridor expansion, Burger King, Starbucks, Panda Express, Schlotzsky's and Verizon Wireless. This increase is part of a trend the City has experienced over the last five years, strengthening what the City identifies as a turn-around in appraised values locally. The City Council adopted the tax rate of \$0.7999760 per \$100 assessed valuation which is a decrease to the prior year's rate. The debt service portion of the tax rate decreased by \$0.0137828, from \$0.3205864 to \$0.3068036 per \$100 of net assessed valuation. The maintenance and operations portion of the tax rate decreased by \$0.0079173, from \$0.5010897 to \$0.4931724 per \$100 assessed valuation.

Sales tax, currently the largest revenue source for the General Fund, is budgeted at \$2,775,000 or 28.8% of anticipated General Fund revenue. Wal-Mart, along with continued construction and opening of several new retail outlets along the Kingsfort business corridor continues to positively impact sales tax revenue.

Other major revenue sources include \$2,959,675 from water sales, \$1,767,810 from sewer services, and \$597,185 from franchise agreements. In fiscal year 2022, several capital improvement projects were needed to maintain healthy, safe water and wastewater services, including Advanced Metering Infrastructure (AMI), a Northeast Utility Infrastructure Project, and several waste water treatment plant improvements, which substantiated the need to increase retail utility rates. Water utility rates were increased 3%, increasing the volumetric rate \$0.23 from \$7.75 to \$7.98. Sewer rates were increased by 5%, increasing the volumetric rate \$0.17 from \$5.78 to \$5.95, and increasing the base/fixed rate \$1.38. Storm Drainage fees were also increased \$0.50 to a rate \$4.50 per ERU per month.

The fiscal year 2022 budget adopted by the City Council includes an increase of \$638,814 or 7.8% in the expenditures in the General Fund operating budget and an increase of \$495,693 or 9.9% in the business-type fund operating budget when compared to previous year's budget. The 2022 budget includes a new structured, modified step pay plan with imbedded retention payments occurring at 5 and 10 year increments. In addition, the city added four new Summer hire positions (for maintenance of parks), as well as a full-time fire captain, and a full-time utility billing supervisor/accountant. Fiscal year 2022, also continued to fund chapter 380 agreement commitments, including KLLM and South Pointe Development, funded the Texas Municipal Retirement System Consumer Price Index participation at 50% Repeating, funded a 5-year lease of six vehicles, two police vehicles, three public works vehicles, and one code enforcement vehicle. The city also funded additional park maintenance funds to affect significant improvements within our park system, \$90,000 in Street Maintenance/Rehab (primarily dedicated to curb and sidewalk repair and sign replacement), \$475,000 from the Street Maintenance Fund (from the sales tax reallocation of 1/4 penny Sales Tax to street rehabilitation), as well as, continued storm drainage improvements, a South water tower rehabilitation, and Shannon and City Lakes Park improvements.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Department, 209 S. Washington, Kaufman, Texas 75142.

CITY OF KAUFMAN, TEXAS
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
September 30, 2021

Amounts reported for governmental activities in the statement of net position (page 27) are different because:

Total fund balances - governmental funds (page 29)	\$ 5,577,274
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.	40,857,157
Other long-term assets are not available to pay for current period expenditures and, therefore, are reported as unavailable revenue in the funds.	9,366,200
Deferred outflows of resources are not reported in the governmental funds:	
Deferred outflows of resources related to pension	\$ 366,640
Deferred outflows of resources related to OPEB	<u>46,905</u>
	413,545
Interest payable on long-term debt does not require current financial resources. Therefore, interest payable is not reported as a liability in the governmental funds balance sheet.	(109,805)
Long-term liabilities, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the funds.	
Due within one year	(1,640,266)
Due in more than one year	<u>(30,872,812)</u>
	(32,513,078)
Deferred inflows of resources are not reported in the governmental funds:	
Deferred charges on refunding	(8,744)
Deferred inflows of resources related to pension	(386,576)
Deferred inflows of resources related to OPEB	<u>(18,617)</u>
	(413,937)
Net position of governmental activities (page 27)	<u><u>\$ 23,177,356</u></u>

CITY OF KAUFMAN, TEXAS
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN
FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
For the Fiscal Year Ended September 30, 2021

Amounts reported for governmental activities in the statement of activities (page 28) are different because:

Net Change in Fund Balances - total governmental funds (page 31) \$ 552,921

Governmental funds report capital outlay as expenditures. However, in the government-wide statement of activities and changes in net position, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount of capital outlay recorded as capital assets in the current period.

7,296,110

The net effect of various miscellaneous transactions involving capital assets (i.e., capital contributions) is to increase net position.

(222,905)

Depreciation expense on capital assets is reported in the government-wide statement of activities and changes in net position, but they do not require the use of current financial resources. Therefore, depreciation expense is not reported as expenditure in governmental funds.

(1,540,117)

The issuance of long-term debt (e.g. bonds) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Certificates of obligation retirement	\$ 225,000
General obligation bonds retirement	355,000
Pass through bond retirement	330,000
Amortization of bond premiums/discounts	3,984
Amortization of deferred charge on refunding	14,994
Tax note issued	(1,130,000)
Note payable retirement	550,680
Tax note retirement	60,000
Capital lease issued	(908,952)
Capital lease retirement	<u>283,992</u>
	(215,302)

Accrued interest expense on long-term debt is reported in the government-wide statement of activities and changes in net position, but does not require the use of current financial resources; therefore, accrued interest expense is not reported as expenditures in governmental funds. Change in accrued interest.

(29)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

(958,805)

Pension and OPEB contributions are recorded as expenditures in the governmental funds. However, in the statement of activities, these contributions are converted to the full accrual pension and OPEB amounts.

Deferred outflows/inflows of resources related to pension	(28,082)
Deferred outflows/inflows of resources related to pension OPEB	<u>11,875</u>
	(16,207)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.

Compensated absences	4,712
Net pension liability	194,374
OPEB liability	<u>(38,366)</u>
	160,720

Change in net position of governmental activities (page 28)

\$ 5,056,386

The notes to financial statements are an integral part of this statement.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of government-wide financial statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. *Governmental activities*, which normally are supported by taxes, intergovernmental revenues, and other nonexchange transactions, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges to external customers for support. Likewise, the *primary government* is reported separately from certain legally separate *component units* for which the primary government is financially accountable.

B. Reporting entity

The City of Kaufman, Texas (the “City”) was incorporated in 1853, and operates under a Council-Manager form of government. The accompanying financial statements present the City and its component unit, an entity for which the City is considered to be financially accountable. The City (the primary government) is financially accountable if it appoints a voting majority of the organization’s governing board and (1) is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefit to or impose specific financial burden on the City. Additionally, the City is required to consider other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City’s financial statements to be misleading or incomplete. The financial statements are formatted to allow the user to clearly distinguish between the primary government and its component unit.

Discretely presented component unit. The Corporation described below is included in the City's reporting entity because the City appoints the governing body and the Corporation is fiscally dependent on the City. The Corporation is reported as a discretely presented component unit since the governing body is not substantively the same as the governing body of the City, and they provides services to the citizens of Kaufman and the surrounding area as opposed to only the primary government. To emphasize that it is separate from the City, it is reported in a separate column in the financial statements.

The *Kaufman Economic Development Corporation* (the “Corporation”) is responsible for collecting and disbursing the one-half percent sales tax to be used for economic development within the City. The members of the Corporation’s board are appointed by the City. The City can impose its will on the Corporation by significantly influencing the program, projects, activities, or level of service performed by the Corporation. The Corporation is presented as a governmental fund type and has a September 30 year end.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Reporting entity (continued)

Separately issued financial reports are available for the Corporation. This report may be obtained by contacting the following office.

City of Kaufman
209 S. Washington
Kaufman, Texas 75142

C. Basis of presentation – government-wide financial statements

While separate government-wide and fund financial statements are presented, they are interrelated. The governmental activities column incorporates data from governmental funds, while business-type activities incorporate data from the City's enterprise funds. Separate financial statements are provided for governmental funds and proprietary funds.

As discussed earlier, the City has a discretely presented component unit. The Economic Development Corporation is considered to be a major component unit and is shown in a separate column in the government-wide financial statements.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the City's utility function and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

D. Basis of presentation – fund financial statements

The fund financial statements provide information about the City's funds. Separate statements for each fund category—governmental and proprietary—are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds. Major individual governmental and enterprise funds are reported as separate columns in the fund financial statements.

The City reports the following major governmental funds:

The *general fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those accounted for in another fund.

The *grants fund* accounts for grants received from federal, state and local governments

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Basis of presentation – fund financial statements (continued)

The *debt service fund* is used to account for the accumulation of resources that are restricted, committed, or assigned for the payment of principal and interest on long-term obligations of governmental funds.

The *capital improvements fund* accounts for the acquisition and construction of the City's major capital facilities, other than those financed by proprietary funds.

The City reports the following major enterprise fund:

The *utility fund* accounts for the activities of the sewage treatment plant, sewage pumping stations and collection systems, and the water distribution system.

The *drainage fund* accounts for the drainage operations that are to be self-supporting through user charges.

During the course of operations the City has activity between funds for various purposes. Any residual balances outstanding at year end are reported as due from/to other funds. While these balances are reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Balances between the funds included in governmental activities (i.e., the governmental funds) are eliminated so that only the net amount is included as internal balances in the governmental activities column. Similarly, balances between the funds included in business-type activities (i.e., the enterprise funds) are eliminated so that only the net amount is included as internal balances in the business-type activities column.

Further, certain activity occurs during the year involving transfers of resources between funds. In fund financial statements these amounts are reported at gross amounts as transfers in/out. While reported in fund financial statements, certain eliminations are made in the preparation of the government-wide financial statements. Transfers between the funds included in governmental activities are eliminated so that only the net amount is included as transfers in the governmental activities column. Similarly, balances between the funds included in business-type activities are eliminated so that only the net amount is included as transfers in the business-type activities column.

E. Measurement focus and basis of accounting

The accounting and financial reporting treatment is determined by the applicable measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as *current financial resources* or *economic resources*. The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Measurement focus and basis of accounting (continued)

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

Property taxes, sales taxes, franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period if received during the period or within the availability period for this revenue source (within 60 days of year end). Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source (within 60 days of year end). All other revenue items are considered to be measurable and available only when cash is received by the City.

The proprietary funds are reported using the *economic resources measurement focus* and the *accrual basis of accounting*.

F. Budgetary information

1. Budgetary basis of accounting

Annual budgets are adopted on a budgetary basis for the general fund, debt service fund, special revenue funds (with the exception of the Public Improvement District fund) and utility funds. Project-length budgets are adopted for capital project funds. Appropriations in all budgeted funds lapse at the end of the fiscal year. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance

1. Cash and cash equivalents

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, certificates of deposit and short-term investments with original maturities of three months or less from the date of acquisition.

2. Investments

Investments for the City are reported at fair value (generally based on quoted market prices) except for the position in TexPool. In accordance with state law, TexPool operates in conformity with all of the requirements of the Securities and Exchange Commission's (SEC) Rule 2a7 as promulgated under the Investment Company Act of 1940, as amended. Accordingly, TexPool qualifies as a 2a7-like pool and is reported at the net asset value per share (which approximates fair value) even though it is calculated using the amortized cost method. TexPool is subject to regulatory oversight by the State Treasurer, although it is not registered with the SEC.

The State Comptroller of Public Accounts oversees TexPool. Federated Investors is the full service provider to the pools managing the assets, providing participant services, and arranging for all custody and other functions in support of the pools operations under a contract with the Comptroller.

TexPool is managed conservatively to provide a safe, efficient, and liquid investment alternative to Texas governments. The pools seek to maintain a \$1.00 value per share as required by the Texas Public Funds Investment Act. TexPool investments consist exclusively of U.S. Government securities, repurchase agreements collateralized by U.S. Government securities, and AAA-rated no-load money market mutual funds. TexPool is rated AAA by Standard & Poor's, the highest rating a local government investment pool can achieve. The weighted average maturities of the pools cannot exceed 60 days, with the maximum maturity of any investment limited to 13 months. TexPool , like its participants, is governed by the Texas Public Funds Investment Act, and is in full compliance with the Act.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance (continued)

3. Restricted assets

Certain proceeds of the City's enterprise funds general obligation bonds are classified as restricted assets on the statement of net position because they are maintained in separate bank accounts and their use is limited by applicable bond covenants. The "revenue bond current debt service" account is used to segregate resources accumulated for debt service payments over the next twelve months. The "revenue bond construction" account is used to report those proceeds of revenue bond issuances that are restricted for use in construction. The "infrastructure improvements" account is used to segregate resources from impact fees for infrastructure improvements.

4. Inventories and prepaid items

Inventories are valued at cost using the first-in/first-out (FIFO) method and consist of expendable supplies and vehicle repair parts. The cost of such inventories is recorded as expenditures/expenses when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

5. Capital assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years.

As the government constructs or acquires additional capital assets each period, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or increase its estimated useful life. Donated capital assets are recorded at their acquisition value at the date of donation.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance (continued)

Land and construction in progress are not depreciated. The other property, plant, equipment, and infrastructure of the primary government are depreciated using the straight line method over the following estimated useful lives:

Capital asset classes	Lives
Buildings	10-50
Improvements	7-30
Machinery and equipment	5-15
Infrastructure	30-50

6. Deferred outflows/inflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. Deferred outflows of resources reported in this year's financial statements include (1) deferred outflows of resources for contributions made to the City's defined benefit pension plan and OPEB plan between the measurement date of the net pension liabilities from that plan and the end of the City's fiscal year, (2) a deferred outflow of resources related to the changes in actuarial assumptions of the City's defined benefit pension and OPEB plan, (3) a deferred outflow of resources related to changes in actuarial experience of the City's defined benefit pension and OPEB plan, and (4) deferred charge on refunding. Deferred outflows for pension contributions will be recognized in the subsequent fiscal year. Deferred outflows for changes in actuarial assumptions is attributed to pension expense over a total of 2.96 years and OPEB expense over a period of 5.28 years. Deferred outflows of resources for the difference between expected and actual experience data is attributed to pension expense over a total of 1 year and OPEB expense over a total of 3.71 years. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. No deferred outflows of resources affect the governmental funds financial statements in the current year.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance (continued)

In addition to liabilities, the statement of financial position will sometimes report a separate section for *deferred inflows of resources*. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows of resources are reported in the City's various statements of net position for (1) the difference between expected and actual experience data used by the actuary for the pension and OPEB plan, (2) a deferred inflow of resources related to the differences between the projected and actual investment earnings for the City's multiple-employer defined benefit pension plan, and (3) deferred charge on refunding. Deferred inflows of resources for the difference between expected and actual experience data is attributed to pension expense over a total of 3.25 years and OPEB expense over a total of 5.28 years. The differences between the projected and actual investment earnings are attributed to pension expense over a total of 5 years, including the current year. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. In its governmental funds, the only deferred inflow of resources is for revenues that are not considered available. The City will not recognize the related revenues until they are available (collected not later than 60 days after the end of the City's fiscal year) under the modified accrual basis of accounting. Accordingly, unavailable revenue from property taxes and grants are reported in the governmental funds balance sheet.

7. Long-term obligations

In the government-wide financial statements, and proprietary fund type in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statements of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance (continued)

8. Net position flow assumption

Net position represent the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources on the government-wide financial statements. Net positions are classified in the following categories:

Net investment in capital assets —This amount consists of capital assets net of accumulated depreciation and reduced by outstanding debt that is attributed to the acquisition, construction, or improvement of the assets.

Restricted net position —This amount is restricted by creditors, grantors, contributors, or laws or regulations of other governments.

Unrestricted net position —This amount is the net position that does not meet the definition of “net investment in capital assets” or “restricted net position”.

Sometimes the City will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted net position and unrestricted net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the City's policy to consider restricted net position to have been depleted before unrestricted net position is applied.

9. Fund balance flow assumption

The governmental fund financial statements present fund balance categorized based on the nature and extent of the constraints placed on the specific purposes for which a government's funds may be spent. The following classifications describe the relative strength of the spending constraints:

Nonspendable fund balance—amounts that are not in spendable form (such as inventories and prepaid items) or are required to be maintained intact.

Restricted fund balance—amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance (continued)

Committed fund balance—amounts constrained to specific purposes by the City itself, using its highest level of decision-making authority (i.e., City Council). To be reported as committed, amounts cannot be used for any other purpose unless the City takes the same highest level action to remove or change the constraint. City Council establishes (and modifies or rescinds) fund balance commitments by passage of an ordinance.

Assigned fund balance—amounts the City intends to use for a specific purpose. Intent can be expressed by the City Council or by an official or body to which the City Council delegates the authority.

Unassigned fund balance—amounts that represent fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the general fund. Other governmental funds might report a negative balance in this classification, as the result of overspending for specific purposes for which amounts had been restricted, committed, or assigned. Positive balances are reported only in the general fund.

Sometimes the City will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the City's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

It is the long-term goal of the City to maintain a minimum unassigned fund balance in the General Fund equal to three months of the annually budgeted expenditures. The City will appropriate one percent (1%) of each year's General Fund budgeted expenditures until the identified goal is met.

10. Deficit fund equity

As of September 30, 2021, the Court Technology fund, a nonmajor governmental fund, has a deficit fund balance of \$19,066. The deficit fund balance will be covered with the collections of fines and forfeitures.

As of September 30, 2021, the Tax Increment Reinvestment Zone fund, a nonmajor governmental fund, has a deficit fund balance of \$8,318. The deficit fund balance will be covered with the collections of property tax.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

H. Revenues and expenditures/expenses

1. Program revenues

Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions (including special assessments) that are restricted to meeting the operational or capital requirements of a particular function or segment. All taxes, including those dedicated for specific purposes, and other internally dedicated resources are reported as general revenues rather than as program revenues.

2. Property taxes

The City's property tax is levied each October 1 on the assessed value listed as of the prior January 1 for all real and personal property. Appraised values are established by the Kaufman County Appraisal District as market value and assessed at 100% of appraised value. Property taxes attach as an enforceable lien on property as of January 1. The Kaufman County Tax Assessor/Collector bills and collects the City's property taxes, which are due October 1. Full payment can be made prior to the next January 31 to avoid penalty and interest charges. Over time substantially all property taxes are collected.

3. Compensated absences

The City's policy permits employees to accumulate earned but unused vacation benefits, which are eligible for payment upon separation from City service. The liability for such leave is reported as incurred in the government-wide and proprietary fund financial statements. A liability for those amounts is recorded in the governmental funds only if the liability has matured as a result of employee resignations or retirements. The liability for compensated absences includes salary-related benefits, where applicable. Vacation leave shall be taken during the year following its accumulation.

4. Proprietary funds operating and nonoperating revenues and expenses

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the utility and nonmajor enterprise funds are charges to customers for sales and services. The utility fund also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for the enterprise funds includes the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

H. Revenues and expenditures/expenses (continued)

5. Pensions and Other Post Employment Benefits (OPEB)

For purposes of measuring the net pension asset/liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the Fiduciary Net Position of the Texas Municipal Retirement System (TMRS) and additions to/deductions from TMRS's Fiduciary Net Position have been determined on the same basis as they are reported by TMRS. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

GASB 75 requires recognition of the Total OPEB Liability (TOL), deferred (inflows)/outflows of resources, and total OPEB expense on the face of the employer's financial statements. The TOL is calculated by the System's actuary in accordance with the provisions of GASB 75. The OPEB expense and deferred (inflows)/outflows of resources related to OPEB, which are required to be reported by an employer, primarily result from changes in the components of the TOL. Most changes in the TOL will be included in OPEB expense in the period of the change. For example, changes in the TOL resulting from current-period service cost, interest on the TOL, and changes of benefit terms are required to be included in OPEB expense immediately. Changes in the TOL that have not been included in OPEB expense are required to be reported as deferred outflows of resources or deferred inflows of resources related to OPEB.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Excess of actual expenditures/expenses over budget in individual fund

The Law Enforcement fund had an excess of actual expenditures over budget by \$950. This excess was funded by existing fund balance.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS

A. Cash deposits with financial institutions

Custodial credit risk-deposits. In the case of deposits, this is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require that all deposits in financial institutions be fully collateralized by U.S. Government obligations or obligations of Texas and its agencies that have a market value of not less than the principal amount of the deposits. The City's deposits were fully insured or collateralized as required by State statutes at September 30, 2021. At year end, the bank balance of the City's deposits was \$12,365,663. Of the bank balance, \$500,000 was covered by federal depository insurance and the remaining balance, \$11,865,663, was covered by collateral pledged in the City's name. The collateral was held in the City's name by the safekeeping department of the pledging bank's agent and had a fair value of approximately \$14,008,000.

B. Investments

Public funds of the City may be invested in 1) obligations of the United States of America, its agencies and instrumentalities; 2) certificates of deposit; 3) fully collateralized direct repurchase agreements with a defined termination date secured by obligations of the United States or its agencies and instrumentalities; 4) money market mutual funds; and 5) local government investment pools.

The State Treasurer's Investment Pool (TexPool) operates in accordance with state law, which requires it to meet all of the requirements of Rule 2a-7 of the Securities and Exchange Commission. See note 1.F.2, *Investments*, for a discussion of how the shares in the Pool are valued. The Pool has a credit rating of AAA from Standard & Poor's Financial Services. Local government investment pools in this rating category meet the highest standards for credit quality, conservative investment policies, and safety of principal. TexPool invests in a high quality portfolio of debt securities investments legally permissible for municipalities and school districts in the state.

<u>Investment Type</u>	<u>Fair Value</u>
TexPool	<u>\$ 397,778</u>

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. As of September 30, 2021, the City's investment in TexPool was rated AAA by Standard & Poor's and Aaa by Moody's Investors Service.

Concentration of credit risk. The City's investment policy contains no limitations on the amount that can be invested in any one issuer.

TexPool is considered a cash equivalent on the Government-wide Statement of Net Position and on the Balance Sheets of the Fund Financial Statements.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

C. Restricted assets

The balances of the restricted asset accounts in the Utility and Drainage funds are as follows:

	Utility	Drainage	Total
Revenue bond current debt service account	\$ 187,819	\$ -	\$ 187,819
Revenue bond construction	1,706,085	1,803,877	3,509,962
Infrastructure improvements	271,503	-	271,503
	<u>\$ 2,165,407</u>	<u>\$ 1,803,877</u>	<u>\$ 3,969,284</u>

D. Receivables

Amounts are aggregated into a single accounts receivable (net of allowance for uncollectibles) line for certain funds and aggregated columns. Below is the detail of receivables for the general, debt service, nonmajor governmental, utility, and nonmajor enterprise funds, including the applicable allowances for uncollectible accounts:

Receivables:	General	Debt Service	Nonmajor Governmental	Utility	Drainage	Total
Taxes	\$ 874,806	\$ 61,572	\$ 14,382	\$ -	\$ -	\$ 950,760
Accounts	15,581	-	-	326,352	12,149	354,082
Other	30	-	-	-	-	30
Gross receivables	<u>890,417</u>	<u>61,572</u>	<u>14,382</u>	<u>326,352</u>	<u>12,149</u>	<u>1,304,872</u>
Less: allowance for uncollectibles	(44,422)	(16,203)	-	(34,928)	(735)	(96,288)
Net total receivables	<u>\$ 845,995</u>	<u>\$ 45,369</u>	<u>\$ 14,382</u>	<u>\$ 291,424</u>	<u>\$ 11,414</u>	<u>\$ 1,208,584</u>

E. Intergovernmental receivables

The Texas Department of Transportation ("TxDOT") has entered into a contract with the City to reimburse the City for a portion of the costs associated with the State Highway 34 re-alignment project ("SH34"). The maximum amount to be reimbursed totals \$11,047,887. The City issued debt in the amount of \$8,250,000 to fund these highway improvements. After completion of the work, the State of Texas shall be responsible for the maintenance of the state highway system, therefore, the costs associated with the SH34 have been expensed rather than capitalized by the City. The balance due as of September 30, 2021 was \$7,544,763.

Kaufman County ("County") has entered into a contract with the City to reimburse the City for costs associated with the Tabor Road improvements. Under the agreement, the County agreed to reimburse the City for construction costs. The balance due as of September 30, 2021 was \$1,850,813.

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

F. Kaufman Economic Development Corporation receivables

On May 19, 2015, the City entered into an agreement with the Kaufman Economic Development Corporation (Corporation) to provide for the construction of the State Highway 34 re-alignment. Under the agreement the Corporation agrees to pay \$100,000 per year beginning in fiscal year 2015 for a total of sixteen payments towards the project. The funds to be repaid at September 30, 2021 totaled \$900,000.

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

H. Construction commitments

The City has active construction projects as of September 30, 2021. The projects include street improvements, water and sewer improvements, and drainage improvements. At year end, the City's commitments with contractors are as follows:

Project	Spent-to-Date	Remaining Commitment
Street improvements	\$ 2,027,836	\$ 1,090,429
Water and sewer improvements	896,592	2,577,199
Drainage improvements	556,101	1,345,950
	\$ 3,480,529	\$ 5,013,578

The street improvements are commitments of the City's Capital Improvements fund. The projects are being funded by general obligation bonds, certificates of obligation, and grants.

The water and sewer improvements and drainage improvements are commitments of the City's Utility fund and Drainage fund. The projects are being funded by general obligation bonds, certificates of obligation, and a note payable.

I. Other significant commitments

The City entered into a contract with the North Texas Municipal Water District on July 24, 2014. The City agreed to take or pay for at least 440,188,000 gallons of water annually. The rate paid for the fiscal year ended September 30, 2021 was 3.04 cents per thousand gallons. The contract shall continue in force and effect for twenty years.

Actual payments for the year ended September 30, 2021 were \$1,398,367.

The City has entered into a contract with the Greater Texoma Utility Authority (GTUA) to obtain wastewater treatment services, an additional supply of water to the City, and certain water supply facilities in order to store and transport water to the City. In the contract, the GTUA agreed to acquire and construct a wastewater treatment system to serve the City.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

I. Other significant commitments (continued)

The City is responsible for the system's annual operation, maintenance and debt service costs for the term of the contract. A current schedule of estimated future contractual payments due to the Authority is shown below:

Year Ending September 30	Amount
2022	\$ 112,587
2023	112,587
2024	112,587
2025	93,895
2026	93,895
2027-2031	469,472
2032-2036	469,382
2037-2041	467,115
2042-2046	460,913
2047-2049	282,393
	<u>\$ 2,674,826</u>

Actual payments for the year ended September 30, 2021 were \$93,895.

The payments to be received from the City of Kaufman, Texas are used as collateral for the bonds issued by GTUA to construct the facility.

The City created Tax Increment Reinvestment Zone No. 1 (the "Zone 1") to fund a series of infrastructure improvements, which are needed to incentivize and accelerate the rate of development in Zone 1. On April 24, 2017, the City authorized the execution of a development agreement with JWS Land, Ltd. ("Company"). Under the agreement (Public Improvements TIF Agreement) the Company is to design and construct public improvements in Zone 1. Following completion of the public improvements with funding provided by the Company, the City shall acquire the public improvements and reimburse the acquisition funding by the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed costs due the Company totaled \$7,945,139.

On December 18, 2017, the City authorized the execution of a development agreement with JWS Land, Ltd. ("Company"). Under the agreement (TIF Purchase Agreement) the Company has agreed to sell to the City a 4.51 acre tract of real property located within Zone 1. Payments shall be made to the Company through the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed costs due the Company totaled \$699,077.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

I. Other significant commitments (continued)

On December 18, 2017, the City authorized the execution of a development agreement with Georgetown KF, Ltd. ("Company"). Under the agreement (Developer Reimbursement Agreement) the Company has agreed to develop and construct a subdivision within Zone 1. Following completion of the subdivision the City shall reimburse the Developer for approved project costs through the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed costs due the Company totaled \$2,457,767.

On November 13, 2018, the City authorized the execution of a development agreement with Georgetown KF, Ltd. ("Developer"). Under the agreement (Park Improvement Fee Reimbursement Agreement) the Developer has agreed to pay a one-time Park Improvement Fee to the City in the amount of \$1,470,750. The City shall reimburse the Developer for the fee through the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed amounts due the Company totaled \$0.

Under the terms of the agreements, disbursement of tax increment reinvestment zone funds shall be made for the following purposes and in the following priority: (1) to reimburse the City for administrative costs; (2) to reimburse the Developer under the Developer Reimbursement Agreement; (3) to reimburse the Developer under the Public Improvements TIF Agreement; (4) to pay the Developer under the TIF Purchase Agreement; and (5) to reimburse the Developer under the Park Improvement Fee Reimbursement Agreement.

On May 28, 2019, the City authorized the execution of a development agreement with Lions Den Self Storage, LLC-Highway 175 Series ("Developer"). Under the agreement the Developer has agreed to construct public improvements within Zone 1. Following completion of the improvements the City shall reimburse the Developer for approved project costs through the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed costs due the Company totaled \$316,349.

The City created Tax Increment Reinvestment Zone No. 2 (the "Zone 2") to fund a series of infrastructure improvements, which are needed to incentivize and accelerate the rate of development in Zone 2. On July 27, 2020, the City authorized the execution of a development agreement with Cedar Crest Development Company, LLC. ("Company"). Under the agreement (Public Improvements TIF Agreement) the Company is to design and construct public improvements in Zone 2. Following completion of the public improvements with funding provided by the Company, the City shall acquire the public improvements and reimburse the acquisition funding by the use of tax increment reinvestment zone funds. As of September 30, 2021 the unreimbursed costs due the Company totaled \$0.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

I. Other significant commitments (continued)

The City entered into a contract with Kaufman County to operate and maintain a consolidated county-wide public health and safety communication facility. Population from census data is used to calculate the City's annual projected cost. The agreement shall continue in full force and effect, provided the City may withdraw on one year notice. Actual payments for the year ended September 30, 2021 were \$110,000.

J. Tax abatements

The City has two programs through which tax abatements are provided:

The City is authorized by Texas Tax Code Chapter 312 Property Redevelopment and Tax Abatement Act (Tax Abatement Act) to enter into property tax abatement agreements as an economic development tool available to cities to attract new industries and to encourage the retention and development of existing businesses through property tax exemptions or reductions. Tax abatements up to one-hundred percent of property tax on the value of the property improvement with a duration of up to ten years, may be established upon property within the City or the extra-territorial jurisdiction of the City. The threshold criteria used for the abatement include adding a minimum of ten full-time employees and adding at least \$1,000,000 to the tax rolls. The City recaptures any and all property tax revenue lost as a result of the agreement if the owner of the property fails to complete, make, and maintain the threshold criteria. The City Council establishes the criteria and guidelines that govern all tax abatement agreements including the percentage amount and duration of the tax abatement, which is not to exceed ten years. The market value of the property is reduced by the exempted amount under the agreement to arrive at the taxable value used to bill the property owner.

Tax Abatement Program	Amount
Abated	Abated
<u>Tax Abatement Act</u>	<u>\$ 5,074</u>

On August 9, 2016, the City entered into a performance agreement to make annual grant payments equal to eighty percent of the ad valorem property tax paid by KLLM Transport Services, LLC., for a period of ten years to relocate their transportation business to the City of Kaufman. The incentive period began for the tax year 2018. The abatement amount totaled \$133,595 for the fiscal year ended September 30, 2021.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

K. Risk management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The City maintains commercial insurance coverage covering each of those risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

L. Lease obligations

1. Capital lease (as lessee)

The City is currently purchasing equipment under lease purchase agreements. The interest on the leases range from 2.28% to 8.62%.

The assets acquired through capital leases are as follows:

Asset	Governmental Activities	Business-type Activities
Machinery and equipment	\$ 1,412,431	\$ 83,081
Less: accumulated depreciation	(115,190)	(11,825)
Total	\$ 1,297,241	\$ 71,256

Annual debt service requirements to maturity are as follows –

Year Ending September 30	Capital Lease Obligations			
	Governmental Activities		Business-type Activities	
	Principal	Interest	Principal	Interest
2022	\$ 193,982	\$ 47,105	\$ 12,237	\$ 4,415
2023	164,865	37,039	13,126	3,526
2024	173,739	28,213	14,080	2,572
2025	191,604	18,284	17,046	1,252
2026	169,555	10,354	13,677	623
2027-2028	142,259	5,033	-	-
	\$ 1,036,004	\$ 146,028	\$ 70,166	\$ 12,388

M. Long-term liabilities

Certificates of Obligation

The City issues certificates of obligation to provide funds for the acquisition, construction and maintenance of major capital facilities. Certificates of obligation have been issued for governmental and business-type activities. Certificates of obligation are direct obligations and pledge the full faith and credit of the government. Certificates of obligation outstanding at September 30, 2021 are as follows:

Governmental Activities:

Series	Issue Amount	Maturity Date	Interest Rate	Year-end Balances
2014	\$ 1,045,000	2/15/2034	2.0-4.0	\$ 750,000
2016B	1,250,000	2/15/2036	2.75-4.0	1,040,000
2019	3,455,000	2/15/2039	2.25-4.0	3,320,000
Total				\$ 5,110,000

Business-type Activities:

Series	Issue Amount	Maturity Date	Interest Rate	Year-end Balances
2011	\$ 880,000	2/15/2027	2.0-3.0	\$ 460,000
2016A	3,990,000	2/15/2036	2.0-3.0	3,195,000

Notes Payable

Notes payable currently outstanding and reported as a liability of the City's governmental activities are as follows:

The City received a loan from State Infrastructure Bank for \$4,500,000 to fund the City's portion of the State Highway 34 re-alignment project in July 2014. The loan will be repaid in 17 annual installments, with the first principal payment due in July 2018. Interest payments are to be made annually beginning July 2015 at an interest rate of 3%. The balance due at September 30, 2021 was \$3,538,759.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

M. Long-term liabilities (continued)

The City entered into an agreement with Kaufman County ("County") to help pay for the State Highway 34 re-alignment project. The City is to be reimbursed by the Texas Department of Transportation ("TxDOT") for 80% of the cost of the project and has agreed to reimburse the County 39.99% of the amount received from TxDOT. The balance due at September 30, 2021 was \$3,017,096.

The payment of this note will not begin until the project is completed and traffic flows on the roadway. The monies from TxDOT will be based on the number of vehicles that use the roadway; therefore, the payment amount to the County will be calculated on the monies received. At this time, there is not a timeline of payments to be expected to be made by TxDOT or the City.

Note payable currently outstanding and reported as a liability of the City's business-type activities is as follows:

The City received a loan from Government Capital Corporation for \$2,631,000 to fund the City's Advanced Metering Infrastructure project. The loan will be repaid in 20 annual installments, with the first principal and interest payment due in September 2022. Interest payments are to be made annually at an interest rate of 2.45%. The balance due at September 30, 2021 was \$2,631,000.

The debt service requirements for the City's notes payable are as follows:

Year Ending September 30	Notes Payable

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

M. Long-term liabilities (continued)

The development agreement payable currently outstanding and reported as a liability of the City's business-type activities at September 30, 2021 totaled \$90,000. The amount due within one year totals \$15,000.

The debt service requirements for the City's development agreement payable are as follows:

Year Ending September 30	Development Agreement Payable	
	Business- Type Activities	Principal
2022	\$ 15,000	
2023	15,000	
2024	15,000	
2025	15,000	
2026	15,000	
2027	15,000	
		<u>\$ 90,000</u>

Compensated Absences

Compensated absences represent the estimated liability for employees' paid time off benefits for which employees are entitled to be paid upon termination. The retirement of this liability is paid from the General Fund, Utility Fund and nonmajor enterprise fund based on the assignment of an employee at termination.

Net Pension Liability

The net pension liability represents the liability for employees' for projected pension benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service less the amount of the pension plan's fiduciary net position.

Other Post-Employment Benefit Liability (OPEB)

The total OPEB liability represents the portion of the actuarial present value of projected benefit payments that is attributed to past periods of employee service in conformity with the requirements of GASB Statement No. 75.

Special Assessment Bond

On November 13, 2018, the City created the Kaufman Public Improvement District No. 1 ("PID") as authorized under Chapter 372 of the Texas Local Government Code. This PID was created for the acquisition, construction, and development of public improvements to include roads, drainage and storm water control system, sanitary sewage collection system, water supply and distribution system, other improvements and costs associated with the development and financing of these improvements.

A third party collects the special assessment for the debt issued and transfers money to the paying agent for the debt. The City of Kaufman, Texas does not have any direct or contingent liability or moral obligation for the payment of this debt. The outstanding balance for the special assessment bond at September 30, 2021 is:

<u>Special Assessment Revenue Bonds, Series 2021</u>	<u>\$3,380,000</u>

Certificate of obligation, general obligation bonds, note payable, development agreements payable, capital lease obligations, compensated absences, net pension liability and OPEB liability issued for business-type activities are repaid from the utility and drainage funds.

N. Interfund receivables and payables

The composition of interfund balances as of September 30, 2021 is as follows:

Receivable Fund	Payable Fund	Amounts
Utility	Grants	\$ 451,853
Utility	Capital Improvements	1,525,550
Drainage	Grants	451,853
Nonmajor governmental funds	Nonmajor governmental funds	27,384
Nonmajor governmental funds	General	89,522
		\$ 2,546,162

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

N. Interfund receivables and payables (continued)

The outstanding balances between funds result mainly from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

O. Interfund transfers

The composition of interfund transfers as of September 30, 2021 is as follows:

Transfer out:	Transfer In							Total
	General	Debt Service	Construction	Nonmajor Governmental	Utility	Drainage		
General	\$ -	\$ 100,000	\$ -	\$ 144,917	\$ 347,291	\$ 42,615	\$ 634,823	
Debt Service	908,952	-	-	-	-	19,850		928,802
Nonmajor								
Governmental	3,000	-	-	33,741	-	-		36,741
Utility	219,581	-	-	-	-	-		219,581
Drainage	12,327	-	1,611,839	-	-	-		1,624,166
Total	<u>\$ 1,143,860</u>	<u>\$ 100,000</u>	<u>\$ 1,611,839</u>	<u>\$ 178,658</u>	<u>\$ 347,291</u>	<u>\$ 62,465</u>		<u>\$ 3,444,113</u>

Transfers are primarily used to move debt proceeds to the General Fund. Repayments of a long-term receivable received by the General Fund were transferred to the Debt Service Fund. Transfers were made from the Utility Fund to the General Fund for administrative services and transfers from the Drainage Fund to the Construction Fund for capital project funding. Grant proceeds were transferred from the General Fund to the Utility and Drainage Funds

P. Discretely presented component units

1. Kaufman Economic Development Corporation (Corporation)

Cash deposits with financial institutions

At year-end, the Corporation's bank balance was \$934,736. Of the bank balance, \$250,000 was covered by federal depository insurance and the remaining balance, \$684,736 was covered by collateral pledged in the Corporation's name. The collateral was held in the Corporation's name by the safekeeping departments of the pledging bank's agent and had a fair value of approximately \$1,280,000.

NOTE 3 - DETAILED NOTES ON ALL ACTIVITIES AND FUNDS (continued)

Q. Contingencies

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor, cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

R. Subsequent events

Subsequent to year end the City:

- Approved the creation of Kaufman Public Improvement District No. 2 and related development agreement in the amount of \$2,124,000.
- Approved the creation of Kaufman Public Improvement District No. 3 and related development agreement in the amount of \$4,000,000.
- Approved a 380 economic development agreement with a developer.

NOTE 4 - DEFINED BENEFIT PENSION PLANS

A. Plan description

The City of Kaufman, Texas participates as one of 895 plans in the nontraditional, joint contributory, hybrid defined benefit pension plan administered by the Texas Municipal Retirement System (TMRS). TMRS is an agency created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (the TMRS Act) as an agent multiple-employer retirement system for municipal employees in the State of Texas. The TMRS Act places the general administration and management of the System with a six-member Board of Trustees. Although the Governor, with the advice and consent of the Senate, appoints the Board, TMRS is not fiscally dependent on the State of Texas. TMRS's defined benefit pension plan is a tax-qualified plan under Section 401 (a) of the Internal Revenue Code. TMRS issues a publicly available comprehensive annual financial report (Annual Report) that can be obtained at tmrs.com.

All eligible employees of the City are required to participate in TMRS.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 4 - DEFINED BENEFIT PENSION PLANS (continued)

B. Benefits provided

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the city, within the options available in the state statutes governing TMRS.

At retirement, the Member's benefit is calculated based on the sum of the Member's contributions, with interest, and the city-financed monetary credits with interest. The retiring Members may select one of seven monthly benefit payment options. Members may also choose to receive a portion of their benefit as a lump sum distribution in an amount equal to 12, 24, or 36 monthly payments, which cannot exceed 75% of the total Member contributions and interest.

	Plan Provisions
Employee deposit rate	7%
Municipal current matching ratio	2 - 1
Updated service credits:	
Rate (%)	100 T
Year effective	2008R
Increase benefits to retirees:	
Rate (%) ⁽¹⁾	50
Year effective	2019R
Military service credit effective date	10-01
Buyback effective date	
Vesting	5 yrs
Service retirement eligibilities	5 yrs/age 60, 20 yrs/any age
Restricted prior service credit effective date	6-97
Supplemental death benefits:	
Employees	Yes
Retirees	Yes
Statutory maximum (%)	N/A

⁽¹⁾ For years prior to 1982, the rate is the actual percentage in annuities. For 1982 and later, the rate is the percentage of the change in the CPI-U since retirement date, granted to each annuitant as an increase of the original annuity.

T — Includes Transfer Credits.

R — Annually Repeating. Ordinance automatically renews effective January 1 of each successive year.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 4 - DEFINED BENEFIT PENSION PLANS (continued)

B. Benefits provided (continued)

Employees covered by benefit terms

At the December 31, 2020 valuation and measurement date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	56
Inactive employees entitled to but not yet receiving benefits	48
Active employees	65
	<hr/> 169

C. Contributions

Member contribution rates in TMRS are either 5%, 6%, or 7% of the Member's total compensation, and the city matching percentages are either 100%, 150%, 200%, both as adopted by the governing body of the city. Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial cost method. The city's contribution rate is based on the liabilities created from the benefit plan options selected by the city and any changes in benefits or actual experience over time.

Employees for the City of Kaufman, Texas were required to contribute 7% of their annual gross earnings during the fiscal year. The contribution rates for the City of Kaufman, Texas were 14.78% and 14.86% in calendar years 2020 and 2021, respectively. The City's contributions to TMRS for the year ended September 30, 2021, were \$599,204, and were equal to the required contributions.

D. Net pension liability

The City's Net Pension Liability (NPL) was measured as of December 31, 2020, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 4 - DEFINED BENEFIT PENSION PLANS (continued)

D. Net pension liability (continued)

Actuarial assumptions

The Total Pension Liability in the December 31, 2020 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.5% per year
Overall payroll growth	2.75% per year
Investment Rate of Return	6.75%, net of pension plan investment expense, including

Salary increases are based on a service-related table. Mortality rates for active members are based on the PUB(10) mortality tables with the Public Safety table used for males and the General Employee table used for females. Mortality rates for healthy retirees and beneficiaries are based on the Gender-district 2019 Municipal Retirees of Texas mortality tables. The rates for actives, healthy retirees and beneficiaries are projected on a fully generational basis by Sale UMP to account for future mortality improvements. For disabled annuitants, the same mortality tables for healthy retirees are used with a 4-year set-forward for males and a 3-year set-forward for females. In addition, a 3.5% and 3.0% minimum mortality rate is applied, for males and females respectively, to reflect the impairment for younger members who become disabled. The rates are projected on a fully generational basis by Scale UMP to account for future mortality improvements subject to the floor.

The actuarial assumptions were developed primarily from the actuarial investigation of the experience of TMRS over the four year period from December 31, 2014 to December 31, 2018. They were adopted in 2019 and first used in the December 31, 2019 actuarial valuation. The post-retirement mortality assumption for healthy annuitants and Annuity Purchase Rates (APRs) are based on a Mortality Experience Investigation Study covering 2009 through 2011, and dated December 31, 2013. Plan assets are managed on a total return basis with an emphasis on both capital appreciation as well as the production of income in order to satisfy the short-term and long-term funding needs of TMRS.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 4 - DEFINED BENEFIT PENSION PLANS (continued)

D. Net pension liability (continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. In determining their best estimate of a recommended investment return assumption under the various alternative asset allocation portfolios, the actuary focused on the area between (1) arithmetic mean (aggressive) without an adjustment for time (conservative) and (2) the geometric mean (conservative) with an adjustment for time (aggressive). The target allocation and best estimates of real rates of return for each major asset class in fiscal year 2020 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected
Global Equity	30.0%	5.30%
Core Fixed Income	10.0%	1.25%
Non-Core Fixed	20.0%	4.14%
Real Return	10.0%	3.85%
Real Estate	10.0%	4.00%
Absolute Return	10.0%	3.48%
Private Equity	10.0%	7.75%
Total	100%	

Discount Rate

The discount rate used to measure the Total Pension Liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability.

Sensitivity of the net pension liability to changes in the discount rate -

The following presents the net pension liability of the City, calculated using the discount rate of 6.75%, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.75%) or 1-percentage-point higher (7.75%) than the current rate:

	1.0% Decrease in Discount Rate (5.75%)	Discount Rate (6.75%)	1.0% Increase in Discount Rate (7.75%)
City's net pension liability	\$ 3,845,710	\$ 1,570,224	\$ (297,464)

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's Fiduciary Net Position is available in a separately-issued TMRS financial report. That report may be obtained on the Internet at www.tmrs.com.

Payables to the Pension Plan - Legally required contributions outstanding at the end of the year totaled \$117,519.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 4 - DEFINED BENEFIT PENSION PLANS (continued)

E. Pension expense and deferred outflows of resources and deferred inflows of resources related to pensions

For the year ended September 30, 2021, the City recognized pension expense of \$297,301.

At September 30, 2021, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	
	Governmental Activities	Business-Type Activities
Changes in actuarial assumptions	\$ 10,963	\$ 9,762
Contributions subsequent to the measurement date	355,677	116,321
Differences between expected and actual economic experience	-	496
Total	\$ 366,640	\$ 126,579

	Deferred Inflow of Resources	
	Governmental Activities	Business-Type Activities
Differences between expected and actual economic experience	\$ 120,676	\$ 41,289
Difference between projected and actual investment earnings	265,900	113,860
Total	\$ 386,576	\$ 155,149

\$471,998 reported as deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension asset for the year ending September 30, 2020. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended December 31
2021 \$(205,199)
2022 (47,578)
2023 (244,681)
2024 (23,046)
Total <u><u>\$ (520,504)</u></u>

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 5 - OTHER POSTEMPLOYMENT BENEFIT (OPEB) OBLIGATIONS

A. Plan description

Texas Municipal Retirement System (“TMRS”) administers a defined benefit group-term life insurance plan known as the Supplemental Death Benefits Fund (“SDBF”). This is a voluntary program in which participating member cities may elect, by ordinance, to provide group-term life insurance coverage for their active members, including or not including retirees. The SDBF covers both active and retiree benefits with no segregation of assets, and therefore doesn't meet the definition of a trust under GASB No. 75 (i.e. , no assets are accumulated for OPEB) and as such the SDBF is considered to be an unfunded OPEB plan. For purposes of reporting under GASB 75, the retiree portion of the SDBF is not considered a cost sharing plan and is instead considered a single-employer, defined benefit OPEB plan. TMRS issues a publicly available comprehensive annual financial report (Annual Report) that can be obtained at tmrs.com.

B. Benefits provided

The death benefit for active employees provides a lump-sum payment approximately equal to the employee's annual salary (calculated based on the employee's actual earnings, for the 12-month period preceding the month of death). The death benefit for retirees is considered an OPEB and is a fixed amount of \$7,500.

The City contributes to the SDBF at a contractually required rate as determined by an annual actuarial valuation. The rate is equal to the cost of providing one-year term life insurance. The funding policy for the SDBF program is to assure that adequate resources are available to meet all death benefit payments for the upcoming year; the intent is not to pre-fund retiree term life insurance during employees' entire careers.

C. Employees covered by benefit terms

At the December 31, 2020 valuation and measurement date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	34
Inactive employees entitled to but not yet receiving benefits	5
Active employees	<hr/> 65
	104

D. Total OPEB liability

The City's total OPEB liability of \$257,962 was measured as of December 31, 2020, and was determined by an actuarial valuation as of that date.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 5 – OTHER POSTEMPLOYMENT BENEFIT (OPEB) OBLIGATIONS (continued)

Actuarial assumptions and other inputs

The total OPEB liability in the December 31, 2020 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.50%
Salary increases	3.50% to 11.50%, including inflation
Discount rate*	2.00%
Retirees' share of benefit-related costs	\$0
Administrative expenses	All administrative expenses are paid through the Pension Trust and accounted for under reporting requirements under GASB Statement No. 68.
Mortality rates - service retirees	2019 Municipal Retirees of Texas Mortality Tables. The rates are projected on a fully generational basis with scale
Mortality rates - disabled retirees	2019 Municipal of Texas Mortality Tables with a 4 year set-forward for males and a 3 year set-forward for females. In addition, a 3.5% and 3% minimum mortality rate will be applied to reflect the impairment for younger members who become disabled for males and females, respectively. The rates are projected on a fully generational basis by Scale UMP to account for future mortality improvements subject to the floor.

* The discount rate was based on the Fidelity Index's "20-Year Municipal GO AA Index" rate as of December 31, 2020.

The actuarial assumptions used in the December 31, 2020 valuation were based on the results of an actuarial experience study for the period December 31, 2014 to December 31, 2018.

CITY OF KAUFMAN, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2021

NOTE 5 – OTHER POSTEMPLOYMENT BENEFIT (OPEB) OBLIGATIONS (continued)

D. Total OPEB liability (continued)

Changes in the Total OPEB Liability

	Total OPEB Liability
Balance at 12/31/2019	<u>\$ 216,534</u>
Changes for the year:	
Service cost	12,108
Interest	6,098
Difference between expected and actual experience	(7,692)
Changes in assumptions or other inputs	32,644
Benefit payments**	(1,730)
Net Changes	<u>\$ 41,428</u>
Balance at 12/31/2020	<u>\$ 257,962</u>

** Due to the SDBF being considered an unfunded OPEB plan under GASB 75, benefit payments are treated as being equal to the employer's yearly contributions for retirees.

Sensitivity of the total OPEB liability to changes in the discount rate -

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.00%) or 1-percentage-point higher (3.00%) than the current rate:

	1% Decrease (1.00%)	Current Discount Rate (2.00%)	1% Increase (3.00%)

NOTE 5 – OTHER POSTEMPLOYMENT BENEFIT (OPEB) OBLIGATIONS (continued)

E. OPEB expense and deferred outflows of resources and deferred inflows of resources related to OPEB

For the year ended September 30, 2021, the City recognized OPEB expense of \$35,327. At September 30, 2021, the City reported deferred outflows of resources and related to OPEB from the following sources:

	Deferred Outflows of Resources	
	Governmental Activities	Business-Type Activities
Changes of assumptions	\$ 33,739	\$ 11,996
City contributions subsequent to the measurement date	5,505	1,800
Differences between expected and actual economic experience	7,661	2,659
Total	\$ 46,905	\$ 16,455

	Deferred Inflow of Resources	
	Governmental Activities	Business-Type Activities
Differences between expected and actual economic experience	\$ 18,617	\$ 6,933
Total	\$ 18,617	\$ 6,933

\$7,305 reported as deferred outflows of resources related to OPEB resulting from contributions subsequent to the measurement date will be recognized as a reduction of the total OPEB liability for the year ending September 30, 2022. Other amounts reported as deferred outflows and inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ended December 31		
2021	\$ 9,243	
2022	8,539	
2023	6,356	
2024	4,814	
2025	1,553	
Total	\$ 30,505	

F. Payable to the OPEB plan

At September 30, 2021, the City reported a payable of \$1,819 for the outstanding amount of contributions to the Plan required for the year ended September 30, 2021.

NOTES TO SCHEDULE OF CONTRIBUTIONS

Valuation Date:

Notes

Actuarially determined contribution rates are calculated as of December 31 and become effective in January 13 months later.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	25 years
Asset Valuation Method	10 Year smoothed market; 12% soft corridor
Inflation	2.50%
Salary Increases	3.50% to 11.50% including inflation
Investment Rate of Return	6.75%
Retirement Age	Experience-based table of rates that are specific to the City's plan of benefits. Last updated for the 2019 valuation pursuant to an experience study of the period 2014 - 2018.
Mortality	Post-retirement: 2019 Municipal Retirees of Texas Mortality Tables. The rates are projected on a fully generation basis with scale UMP. Pre-retirement: PUB(10) mortality tables, with the Public Safety table used from males and the General Employee table used for females. The rates are projected on a fully generational basis with scale UMP.

Other Information:

Notes

There were no benefit changes during the year.

CITY OF KAUFMAN, TEXAS
SCHEDULE OF CHANGES IN TOTAL OPEB LIABILITY AND RELATED RATIOS
Last 10 Calendar Years (will ultimately be displayed)

	2017	2018	2019	2020
Total OPEB liability				
Service Cost	\$ 8,310	\$ 9,335	\$ 10,029	\$ 12,108
Interest (on the Total OPEB Liability)	5,709	5,908	7,497	6,098
Difference between expected and actual experience	-	21,748	(31,504)	(7,692)
Changes of assumptions and other inputs	13,828	(12,655)	34,102	32,644
Benefit payments	(923)	(903)	(1,294)	(1,730)
Net Change in Total OPEB Liability	26,924	23,433	18,830	41,428
Total OPEB Liability - Beginning	147,347	174,271	197,704	216,534
Total OPEB Liability - Ending	\$ 174,271	\$ 197,704	\$ 216,534	\$ 257,962
 Covered-Employee Payroll	 3,077,841	 3,011,372	 3,235,239	 3,459,551
 OPEB Liability as a Percentage of Covered-Employee Payroll	 5.66%	 6.57%	 6.69%	 7.46%

Notes to Schedule:

Note 1 - No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75 to pay related benefits.

Note 2 - The actuarial assumptions and other inputs used to calculate the total OPEB liability are described in note 5.D to the financial statements.

Note 3 - Due to the SDBF being considered an unfunded OPEB plan under GASB 75, benefit payments are treated as being equal to the employer's yearly contributions for retirees.

SUPPLEMENTARY INFORMATION

Nonmajor Governmental Funds

Special Revenue Funds

Special revenue funds are used to account for specific revenue sources that are restricted, committed, or assigned to expenditures for particular purposes.

Hotel/Motel Fund - This fund is used to account for the Hotel/Motel Occupancy Tax levied on all hotels and motels in the City. Funds are used for attracting and promoting tourism and the convention and hotel industry as authorized by statute.

Law Enforcement Fund - This fund is used to account for seized property to be used for official purposes as provided by Article 59.06 Texas Code of Criminal Procedure.

Court Technology Fund - This fund is used to accounts for monies received to purchase technological enhancements for the municipal court.

Court Security Fund - This fund is used to accounts for monies received to secure the municipal court.

Impact Fees Fund - This fund is used to account for revenues from impact fees assessed to be used for infrastructure improvements.

Tax Increment Reinvestment Zone Fund - This fund is used to account for funds received and expended within the City's Tax Increment Reinvestment Zone.

Public Improvements District Fund - This fund is used to account for funds received and expended within the City's Public Improvements District. The City does not appropriate a budget for this fund.

Street Maintenance Fund - This fund is used to account for the 1/4 cent Street Maintenance Tax revenues and expenditures devoted to street repair, mill and overlay, and reconstruction projects.

CITY OF KAUFMAN, TEXAS
DIRECT AND OVERLAPPING GOVERNMENTAL ACTIVITIES DEBT
September 30, 2021

Governmental Unit	Debt Outstanding	Estimated Percentage Applicable¹	Amounts Applicable to Primary Government
Debt repaid with property taxes: Kaufman County	\$ 149,957,667	4.48%	\$ 6,718,104
Debt repaid with property taxes: School District	69,525,000	44.91%	<u>31,223,678</u>
Subtotal, overlapping debt			37,941,782
City of Kaufman, Texas direct debt			<u>31,007,742</u>
Total direct and overlapping debt			<u>\$ 68,949,524</u>

Source: Texas Municipal Reports

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the city. This schedule estimates the portion of outstanding debt of those overlapping governments that is borne by the property taxes of the City of Kaufman, Texas. This process recognizes that, when considering the government's ability to issue and repay long-term debt, the entire debt burden borne by the property taxes should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

¹ The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the county and school district's taxable assessed value that is within the city's boundaries and dividing it by the county and school district's total taxable assessed value.

OTHER REPORT

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and City Council
City of Kaufman, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Kaufman, Texas, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Kaufman, Texas' basic financial statements, and have issued our report thereon dated March 30, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered City of Kaufman, Texas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of Kaufman, Texas' internal control. Accordingly, we do not express an opinion on the effectiveness of City of Kaufman, Texas' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described below, that we consider to be a material weakness.

Honorable Mayor and City Council
City of Kaufman, Texas

FINDING

Preparation of Financial Statements – We were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Auditing standards require auditors to communicate this situation to the Board as an internal control deficiency. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. However, based on current auditing standards, it is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

From a practical standpoint, we prepare the statements and determine the fairness of the presentation at the same time in connection with our audit. This is not unusual for us to do with a governmental entity of your size.

The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy and we have answered any questions that management might have. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Under the circumstances, the most effective controls lie in management's knowledge of the Corporation's financial operations. It is the responsibility of management and those charged with governance to make the decisions whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situation listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information to the amounts reported in the financial statements.

RESPONSE

Procedures will be implemented by the City to review the financial statements and related footnote disclosures and to agree the City's accounting information to the amounts reported in the financial statements and related footnote disclosures.

Honorable Mayor and City Council
City of Kaufman, Texas

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Kaufman, Texas' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
