Trailer Unloading zone = □

Drop Off Riders = ➡

Trailers/Floats = ➡

- **Registration Check:** Event staff will be at the ramp closure to check registration.
- **Drop-off Vehicle Flow:** Vehicles will enter from the frontage road, use the second entrance to the Civic Center parking lot for drop-off, then exit out the last exit and continue onto Main Street.
- **Float Arrival:** Floats should arrive with all riders on board if possible. Floats should be mostly decorated before arrival, with only minor final touches left. Floats needing final touches should go into the KCC parking lot and then move onto Fair St once done.
- **Float Placement:** Floats will line up on the right side of Fair St. Once full, staff will direct remaining entries into the left lane. There will be no through traffic on Fair St.
- **Horse/ATV Trailers:** Trailers should unload in the KCC back parking lot, then move and exit down Main St. Trailers should wait at Shannon Park afterward. Horses must ride at the back of the parade.
- **Parking Restrictions:** No parking is allowed in Brinson's parking lot.
- **Float Load-Out:** Floats will be loaded out starting from the right lane, then the left lane, and finally the horses. Kaufman Police and Fire will bring up the rear.
